NEWS AND NOTES

This is our new size — how do you like it? This combines issues 4 and 5 of our original subscription offer. Our new subscription price remains the same — 50c for the next annual period. The amount of pages depends upon the amount of subscriptions we acquire. If you wish to continue to receive M.P. (your subscription expires with this issue) be SURE and SEND in your payment NOW . . . While we recognize the need for nudes by artists please do not write to any studio listed in this publication as they are not available. It is illegal to furnish nudes by mail and it is with regret that we must advise that some of the leading studios have been put out of business — Warner, W.CM, Coombs, Martin, Roscoe . . . Have you tried those new form fitting T-Shirts offered by A.M.G.? They offer 17 colors, round or V-neck, and a line of trunks. Send a self addressed stamped envelope to A.M.G., 1834 W. 11th Street, Los Angeles (6), Calif., for their illustrated brochure . . . A talented sculpture we know has made up the molds to a detailed Centaur which stands approximately 16" high, but is uncertain whether to offer them or not. The price (including shipping charges) would be around $14 — if you are interested contact: Rip Searby, 1133 Rose Ave., Oakland, Calif. and if enough requests are received I'm sure he will produce them . . . CM is now offering 8x10 catalogs covering their 32 sets available (16 photos each) for one dollar each— Catalogs No. 1 and No. 2 are available now. Extra-pose catalogs in 8x10 size to be announced shortly, including a new Cowboy Series for the artist . . . Remember your subscription ends with this issue and if you wish to benefit from future printings be sure and send in your 50c right away. We will have some terrific things for you in the coming issues—be sure and tell your friends as the more subscribers we have the more we will be able to offer you . . .
